PROFILE

Emerging Front-end Web Developer eager to elevate my skills through hard work, passion, and attention to detail. Familiar with Front-end technologies and various digital tools, with experience in social-media management. Motivated to learn, grow and excel in the Tech Industry while continuously contributing to the projects I become part of.

WORK EXPERIENCE

Hands-on Practicum @ImSoTech
Feb - April 2023 | Lethbridge, AB

- Development of a PWA Mobile Application with JavaScript, ReactJS, NodeJS and MongoDB.
- Development of a Chat App with React, NodeJS, and Socket.io.
- Maintenance and updates for client's applications.

Social Media Manager @Desimportados
May 2020 - August 2021 | Remote

- Launching e-mail marketing campaigns for digital product sales.
- Content development and management for the company's Instagram, YouTube, and their digital platform.
- Coordination and supervision of team tasks and weekly objectives.
- Launching promotional campaigns for the company's digital products through webinars and eBooks.

PROJECTS

RafTheDev.com

- Created a Bootstrap based portfolio website.
- Utilized flexbox properties to ensure responsiveness of the website.
- Soon to be rebuilt and optimized with React.
