PROFILE

Emerging Web Developer eager to elevate my skills through hard work, passion, and attention to detail. Familiar with Javascript frameworks and databases, previous experience in social media management. Motivated to learn, grow, and excel in the Tech Industry while continuously contributing to the projects I become part of.

WORK EXPERIENCE

Hands-on Practicum @ImSoTech
Feb - April 2023 | Lethbridge, AB

- Development of a PWA Mobile Application with JavaScript, ReactJS, NodeJS, and MongoDB.
- Maintanance and updates for client's website and applications.

Social Media Manager @Desimportados
May 2020 - August 2021 | Remote

- Content development and management for the company's Instagram, YouTube, and their digital platform.
- Coordinate and supervise team tasks and weekly objectives.
- Launching promotional campaigns for the company's digital products through webinars and eBooks.

PROJECTS

Job Postings Database

- Complete CRUD registration system using object-oriented PHP, PHP Data Objects, and MySQL.
- Uses query builder concepts to manipulate data.

RafTheDev.com and RafTheDev.com/SMMPortfolio

- Created two Bootstrap based portfolio websites.
- Utilized flexbox properties to ensure responsiveness of the website.
- Soon to be rebuilt and optimized with React.
